STATIC DANCE STUDIOS

TERM 1 2017

EDITION 1

WELCOME TO 2017!!

FROM THE DIRECTORS

Hello and welcome to Static Dance Studios. Firstly, we would like to take the time to officially welcome all the NEW families who have just joined our team for their first year with us and a HUGE SHOUT OUT and welcome back to all existing members. We are just so delighted that you have joined us in a year that will be memorable, exciting and inspiring for all members of SDS.

Every year, we continue to build on our enrolment numbers and this year we are happy to report that we have yet again hit record numbers! We just love that our SDS family continues to grow from strength to strength. This is all due to the awesome work of our teachers, staff and to the parents who support us year after year.

2017 is going to be a big year. We have just hired 9 new teachers who have joined our teaching staff and Christel Walters who has just joined our Admin team. That is a totally of 33 Staff Members bringing the best possible service and dance training our teachers can provide.

We have 9 classes at capacity with students on the waiting list and many other students trialing out other classes to explore all that SDS has to offer. We understand that quite a few of you are finding your feet and

settling into SDS, so please if you have any questions, do not hesitate to contact us as we would love to help and guide you through 2017.

Static Dance Studios for the 3rd time become a Finalist for the Australian Small Business Awards. Whooooo!! Being announced the winner in the BEST Performing Arts Category in 2015, has just always proven to us that nothing is impossible. We promise to always provide the best services in all that we do for you and our students. Thank you for your support!

During Week 8, both Matt and I will be coming around to classes, speaking with the students. We will be downstairs with parents giving us the opportunity to catch up with you all. We would love to meet with you, so come along and say Hi and let us know how you are going! Remember, this will be in Week 8!

We do hope that you've had an awesome 5 weeks with us so far. THANK YOU for choosing Static Dance Studios as your dance studio and second family

Peace and Love!

Matt and Trish Scerri

PARKING ZONES

Parents please see diagram above for the parking zones.

PLEASE adhere to these zones as we do not want to be contacted by council and most importantly we do not want an accident to occur because these parking rules were not followed.

Lamb St is a MAIN road. Please understand that no parking is permitted in the bus bay. The corner of Lamb St and Enterprise drive is a NO PARKING ZONE. This is a blind corner you cannot park there.

Please help us by sticking to these parking zones as we want to have a safe environment for our families and the local community.
