THE AUSTRALIAN SMALL BUSINESS
CHAMPION AWARDS 2015!!!

This still feels like a dream. Winning the Australian Small Business Awards. Who would of ever thought, but it just goes to show that everything and anything is possible by all if you want it. The amazing support group we have in this family is truly a blessing and this award could of not been ours without it all. We would like to have this opportunity to give a special thanks to our incredible TEACHERS - We love your passion for our students and that you go beyond to giving into this studio. For your craziness, honesty and giving hearts. HEAD TEACHER- Corey- A lot of people don't have the opportunity to see the work you do behind the scenes, but we do and are greatly appreciative of it. Your friendship is truly cherished! FRONT DESK MUMS- For always trying to make our work load that much lighter and being our mums when we really need it. STATIC PARENTS & STUDENTS- For always supporting and trusting us. For believing in all that we do (Project F1J1) and to the parents, for the support that you give to your child in dance. OUR FAMILY & FRIENDS- Our backbone! Owning a business is the most challenging, yet rewarding experience full of journeys and we are grateful for our family and friends who keep us grounded and strong. And lastly, giving thanks to our heavenly father who continues to direct us in all parts of life. Feeling extremely honored and blessed to have won this award. Our hash tag this year is really living up to the name #sdslivingintwentyfifteen. Thank you!

"When I began doing the Adult Aerial class at the start of the year I thought it would it be a great way to relive a part of my childhood. "I remember it being so much easier 30 years ago!" Honestly though this class is so much fun. Each week I get to challenge myself to learn new tricks, keep pushing to improve on what I have learnt, climb higher and stretch further. It has helped build my confidence, conquer fears and has taught me that I can do anything I set my mind to. What better reward could you ask for." Danielle Campbell

The final amount of each Costume will be added onto your Term 4 account. Please see through that your account is paid up to date to avoid the \$20 late fee. If you have any questions at all about your account please email Jan at staticdancestudios@hotmail.com

Tap Exams

Sending all our well wishes to all students who will be sitting their Glenn Wood Tap Exams on Friday 26th June. We have been watching their classes the last week and my gosh, you all must be proud of what you have achieved thus far! Now the hard work has been done of hours and hours of rehearsals, its time to just put everything you have learnt into place on the day. Thank you to Ms Kerrie, Ms Nicole and Ms Kim for all your hard work that you have given to all our students for their exams this year! Ever so grateful.

All the best Static Tappers!

Showgroup & Cheer News

Well Term 2 has lived up its name of being the super busy Eisteddfod Period as our Showgroup students competed at the Fifth Avenue & Time to Shine & Extreme Dance Challenge. With this being said in two weeks time all Showgroup students will be traveling to Wollongong to compete at the City Of Wollongong. Good luck to all students, you have been rehearsing extremely hard, all that you have to do now is perform it– and that's the fun part. Thank you to all parents for all your hard work in getting your child ready and to and from all the venues. We always appreciate the time you put into your little dancers and THANK YOU to the TEACHERS who have been busy creating different and unique pieces. Our STATIC SQUAD TEAMS had their first competition last weekend at the Sports Centre at Sydney Olympic Park. We are happy to report back that all routines took out 3rd Place. Congratulations to Ms Tarren and the students of Static Blades!!! Looking forward to the next comp.

Hong Kong Travelers

After our meeting with Louise, it came at such a surprise to hear that we only had 14 weeks left until we embark on our travels to Hong Kong. Now its time to start all our extra rehearsals, start designing costumes and our SDS Tour Jacket with weeks left. Exciting times ahead, but before we arrive at the good times we must put in the hard times for this to happen. Hard work always has BIG REWARDS! Louise also brought some exciting news, telling us that we have been asked to choreograph our own routine for the Disney Parade! For those who missed out on this meeting please come and see us to collect the latest details. All final invoice will be sent end of June.

Success @ Extreme Dance Challenge

SDS ran its first eisteddfod this year– Extreme Dance Challenge and we are happy to report back that It was A HUGE SUCCESS!

2015 saw a new venue for Extreme, one that we were quite nervous for but we took the risk and the rewards were outstanding.

All dance schools were very appreciative of the new venue at Penrith Anglican High School. Its school hall was much like a theatre, with comfortable seating, heated rooms and a Green Room for all competitors backstage. Compliments were pouring in with just how great the staff were by their positive and friendly attitudes.

A big THANK YOU to all that volunteered their time for the students traveling to Hong Kong and to our **Major Sponsors**– Spill the Beans– by Peter Mansweto and Costume Roller Costume Bags by Karen James! Your generosity is truly truly appreciated by the family of SDS
