Static Dance Studios News

Let the crazy season begin!

Hi SDS Family,

Your Term 3 Newsletter has arrived with vital information that all parents and students will need to know as we approach what will be a crazy last couple of months for 2015. Please take the time to read this and place all important dates in your family calendar.

Firstly we wanted to visit what has been happening the last couple of months.

It has been such a busy season for our Showgroup Students as they have been competing at several events and boy have they made us proud!

As you all understand that the commitment from students attending rehearsals

can be such a big deal at a young age, but these SDS students continue to grow not only in class but on stage too! We think that some Congratulations are in Order..

A big Congratulations to our Intermediate & Senior Showgroup who performed at the Sydney Opera House on Sunday 23rd! To perform at such a landmark is pretty impressive within itself! We are proud of what you delivered on the night! Onwards and upwards from here! Keep believing & keep thriving!

To our Junior Showgroup, who have had the incredible experience of being Guest Entertainers at two weddings this year. One at Leichardt and the other at Doltone House! You amaze us with your professionalism at such a young age. You had every mobile phone out recording

your performance with such great feedback from guests and even from the venues itself!

And lastly, we wanted to congratulate every student and parent who has made the commitment of attending dance classes throughout this year #sdslivingintwentyfifteen.

Students, by showing your commitment, although you do not know it, you are building life skills that will forever be with you where ever you go. Continue to build yourself as a person through dance and watch your incredible journey unfold.

To all the parents, this is what you give your children. LOVE. There is no greater gift than that!

Congratulations Team!

For what YOU have might be on someone's don't have.

SDS Finalist 2015

2015 has already seen Static Dance Studios hit it off into an incredible year in April when SDS were announced the Australian Champions For Performing Arts. Never in our wildest dreams did we think that was possible but anything is possible if you put your mind to it.

With this being said, we have once again just been announced FINALIST for the Local Business Awards. Thank you to all that voted online and for those who filled out a form! Yay!

Term 4

As we head into Term 4 in a couple of weeks, we would like to take this time to ask for the patience of our SDS members. We understand that there may be many questions regarding costumes, fees, dates, times, events and venues in which we will do our very best in getting back to you about. Please feel free to either leave a message at the front desk, through emails or talk with us whilst we are NOT in class. Thank you for your understanding
