## TAP & BALLET EXAMS

Congratulations to all of our students who recently performed their annual examinations in both Ballet and Tap. Static Dance received a 100% pass rate which we are thrilled about. The preparation of Ballet and Tap exams are quite intense as our teachers and students rehearse the given syllabuses provided by GWT and RAD every week. We applaud our students for their commitment that they show in class by dedicating themselves to be the best they can be. Going over the same routine over and over again in class is sometimes quite challenging but for these particular students any challenge is always a welcome challenge! Not only are we super proud of our students, but also of our teachers! Ms Kerrie, Ms Ilona and Ms Cassie, you are to be commended for your expertise in your teaching styles as our students grow each and every year. It's your dedication and hard work that is shown on the day of the exams. We are so proud and lucky to have you as part of our teaching staff here at SDS! Thank you for yet another great year of exams!
