SDS Friendship Day	4

Hello and Welcome Back to all our wonderful families.

Where do we start! So much has happened in 2017, and with only 13 dancing weeks left until the End of Year Showcase, that's right, 13 weeks, it only gets busier as the Christmas Season fast approaches.

Firstly we wanted to take the time to congratulate all of our Static Dance Studios students who have taken part in performing in Musical Theatres, Fashion Shows, Photo Shoots, Performances at Riverside Theatre, worked in Character Suit work at shopping centre's and birthday parties and to all the students who recently performed at their School Showcases/ Education Week. We are just super proud that our students continue to pursue dance, further educating themselves in Performing Arts and giving themselves the experience on and off stage. We love and thank the parents for making us feel involved by emailing / tagging us in all the adventures so that we too stay updated and celebrate their achievements with them.

We have seen a big growth in students interested in solo routines and boy have we seen such a big improvement in our students confidence and passion as they perform such amazing pieces by our talented teachers here at Static Dance Studios. Private lessons are open to all students of SDS who wish to have the opportunity to work with a teacher, one of one, to achieve certain areas in their dance skills.

Three weeks ago, 40 students under went their Glenn Wood Tap Exams and right now we take the time to acknowledge their hard work, commitment and confidence in doing so. It is not easy to get in front of an examiner, remember the syllabus and perform with confidence and for that, we applaud you and congratulate you for seeing this through. To Ms Kerrie, Ms Cassie and Ms Tahlia. You did it. Ms Kerrie, this team continues to improve under your leadership and guidance in which we are ever so grateful for. Ms Cassie and Ms Tahlia, this year we celebrate your first year with us and are so happy that you have join our Tap Faculty Team at SDS. Today we give thanks to you three for always wanting the best for our students. For that, we are blessed to have you as their mentor and teacher.

**Thank you to everyone who
voted for Static Dance Studios to
be nominated for the Local
Business Awards 2017. Because
of you, dreams really do come
true.**

Special points of interest:

- Static Dance Studios Friendship Day. Its time to enjoy each other's company away from the world of dance! Give your child the opportunity to work on their social skills and build on their friendships that they have made at Static Dance Studios. Details on Page 4

We ask that our parents please start to make the transition now, emailing to the correct staff member for an easier and faster transition in 2018. If you have any questions regarding this, please email us at reception@staticdance.com.au

Accounts & Costumes for 2018...

Accounts:

Have you received your Term 3 Invoice???? If you have answered "NO" then we urge you to please check your emails as all invoices were sent out in Week 1. If you do not have an email address, please see front desk who can assist you with your accounts.

We would like to thank all the parents who have been awesome in paying their accounts by the due date. We understand how life can be overwhelming at times and appreciate your attention in getting your accounts settled with us!

Just a reminder that all accounts that have not finalized have incurred a \$20.00 late fee if \$200.00 or less. If greater than \$200.00, 10% of the overdue balance will be added to your account.

If you wish to speak with Jan about your SDS account, please email at jan@staticdance.com.au

Costumes:

Costumes are now well under way with some being delivered and others being sent off to dress makers and suppliers for our End of Year Showcase. How exciting!!! We can not wait to show you all of the creations that our teachers have designed along with their dance routines! If you have not paid for your costume deposits, your costumes have not yet been ordered and may incur another fee due to postage and extra shipping fee's.

If you are new to our dance family, we ask that you check with your child that they have been measured as we do not want to miss anyone and would love the support from everyone.

The final balance for all costumes will be placed on your Term 3 / Term 4 Invoice and must be paid in full for students to receive their costume and perform at the End of Year Showcase.

Ballet Exam News.....

Fingers crossed that in the coming weeks, we will soon receive our Ballet examination date from the Royal Academy of Dance!

In the meantime, we encourage our students to stay focused, ask your teachers as many questions so that you can confidently deliver your work in front of the examiner!

An email has been sent out to all families about details for the Ballet Workshops and costs in the upcoming school holidays. If you have not received it as yet or wish to discuss any matters please email nicole@staticdance.com.au

Uniform to class...

Winter is here and boy is it getting cold!

If you do not have a Static Jacket, students are more than welcome to wear any jacket to and from class to avoid catching the cold during this Flu Season!

We have also seen many students arrive in their school uniform and wear it in class, especially our Pre Senior age group. Don't forget to pack your dance uniform the night before and be prepared.

Thanks TEAM!

Cheerleading News...

Our Cheer students and teachers have been extremely busy as they competed at their second competition for the year at the DCE on Saturday.

Congratulations to our students for your results and performance on the day!

Thank you to all parents who helped by answering the Facebook Poll for extra rehearsals. This helped our teachers schedule a rehearsal in a short amount of time.

Due to the flu season being out of control, we understand students absences, but with the warm season approaching now, we need 100% commitment in rehearsals as one student out in Cheer Rehearsals every Friday night affects the students quite drastically.

Don't forget about our upcoming competition date for the rest of the year

Sunday 15th October : Spring Carnival Cheer Competition

LIVE.LOVE.DANCE

I am a dancer. I twirl, I leap and spin.

I jump, pirouette and tap.

I am a dancer.

I feel the pain and fear.

I feel defeat and failure, yet I keep dancing.

I smile, I practice, I perform.

I have grace and beauty.

I don't dance because I'm happy.

I'm happy because I dance.

When I hear applause, I perform!

Why do you dance?
